# MOON SHADOW

SLEEPS 2

1 BEDROOM

ST IVES | CORNWALL

Moon Shadow's interior combines the raw and the refined, drawing on both ocean-inspired and industrial styles of design. A daring yet decadent 1-bedroom cottage, it provides a treasure trove of Instagram moments for any visitors to St Ives. Split over two levels, you will find the open-plan living room and kitchen downstairs, and a vast bedroom upstairs that sits majestically under the rafters, with a shower room and built-in wardrobe next door.

And while it may only have one bedroom, it feels surprisingly spacious, easily fitting in a 6ft super king bed, ample storage, a flat-screen TV and a walk-in shower area — all in all, it is a space that oozes style.

## INSIDE

### THE KITCHEN & LIVING ROOM

The first half of the open-plan living space has a deep chesterfield sofa, coffee table and 40" TV above an electric fireplace, creating an utterly tempting space to relax. The L-shaped kitchen divides the space from the living area, with a compact larder fridge and a breakfast bar dining area. At the back is the downstairs loo.

### THE BEDROOM & BATHROOM

The one bedroom feels surprisingly spacious as it sits under the rafters, easily fitting in a 6ft super king bed, ample storage, and a walk-in shower area — it is a space that oozes style. Meticulously thought-out to maximise the compact size of the cottage, Moon Shadow is easily one of the most distinct holiday lets in St Ives.

## LOCATION

Moon Shadow is located on Porthmeor Road and is moments away from Porthmeor Beach on the northern side of the town, an area known for its thriving artist community. This means your feet can be in the sand mere minutes after stepping out of your front door. Although you are spoilt for choice when it comes to beaches in St Ives — a 5-minute stroll through the cobbled streets will bring you to Bamaluz, Porthgwidden and the harbour beach, along with dozens of high-quality restaurants, art galleries and craft shops.

### HOW TO GET TO ST IVES
