HAY LOFT

SLEEPS 13

6 BEDROOMS

ATHERSTONE | SOMERSET

Situated in an ancient orchard with views over Dillington Park, Hay Loft is an old estate cottage that has recently been extended and renovated. It is a fantastic space for a rural escape with family or friends.

The house has been renovated to a very high standard and features 6 bedrooms and bathrooms, all beautifully designed with many featuring unique wallpapers and bathroom tiles. There is also a fabulous loft-style, open-plan kitchen, dining and living room space, which opens out through bi-fold doors onto the rear terrace, orchards and view across the rolling hills and woods beyond.

GROUND FLOOR

The house has 6 bedrooms on the ground floor, all with their own bathroom. 3 of the bedrooms are in the older part of the house and have historic features such as old elm beams, a large redundant fireplace, and exposed hamstone walls.

The other 3 rooms are in the newer part of the house which has been extended into the bank at the rear of the property and they sit below the rear terrace and garden.

FIRST FLOOR

The kitchen bi-fold doors open onto the rear south-facing terrace and garden, where there is an outdoor table and chairs for dining – although these are hardly needed with the glass wall bringing the views to the south into the dining room without even the need to step outside.

OUTSIDE

There is a fire pit in the garden so guests can make the most of being in the Somerset countryside long into the evening, and a wood-fired hot tub allowing views across Dillington Park to the north for an indulgent soak. The garden is fenced and dog-proof, and dogs are welcome.
