RAMSDEN | THE COTSWOLDS

Located in the picturesque Cotswolds village of Ramsden, Well Cottage epitomises a cosy Cotswolds cottage, designed beautifully and sleeping six in 3 bedrooms.

The cottage dates back to the mid 1600s, and is named after the former village well that was in the front garden. With original oak beams and exposed stone walls, earthy autumnal tones of the furniture and furnishings, where else would you want to spend time with your loved ones?
